

Key Indicators to be assessed by Ofsted	Provision	Evidence	Funding	Impact	Review/Next Steps
Engagement of all pupils in regular physical activity. In addition to 2 hours of PE per week the school have added the following initiatives	Specialist coaches run engaging lunch time & after school clubs targeting KS1 and KS2 pupils.	Extra-Curricular Registers.	£675 – this includes a sports coach for 3 full days and 2 half days. It also includes lunch time clubs and after school clubs which run everyday	Over 75% of the children in KS2 attended a club last year. Our aim is to improve this to all children attending some sort of extra-curricular activity by the end of this year. Over 300 spaces offered a variety of clubs offered during and after school every WEEK. Observations have shown improved engagement and behaviour management during lunchtime and after school clubs.	To be reviewed each term to make sure we are on track and targeting children who might not be confident attending a club.
	School actively participates in the Golden Mile for physical activity	Golden Mile Data is monitored by the teachers and TA's.	Free	Children have a greater understanding of why daily physical activity is so important. Positive Impact available for all.	
	Multi-Activity Camps are put on during school holidays.	Daily Registers. Holiday Club attendance out of term time.	£200 per Camp	Children lose 80% of their fitness during school holidays due to inactivity. We aim to keep minimizing this with activities during the holidays when children are less likely to exercise.	

			The clubs have been a big hit in the past so we aim to keep working on improving the sessions to gain more children attending.	
Annual and half termly assessments are conducted on children to see if they are working at an expected level within a range of learning descriptors.	Individual Pupil Assessments recorded on School Portal.	Free	Children to be accessed every half term by the sports coaches and class teacher. This will allow all parties to understand where the children are and if they are secure on the subject or need extra support before moving onto the next sport. Also AFL will be carried out with each session to allow for gaps to be filled from the previous unit before the present unit is taught.	
Purchase of equipment and additional PE kit.	Purchasing of equipment & PE kit removes barriers to participation.	£2190	More PE equipment to be bought this year to replace the old equipment. All the equipment bought will match the sports that are being taught this year. Enough equipment for every child will ensure there is no child missing out.	
Meetings with SSP	Regular meetings with SSP keep us informed of improvements we can make.	Free	We have kept up to date with changes and requirements from experts.	
Enrichment sessions	Extra sessions for selected year groups. Different sports the children have not been exposed to before.	£100 per morning 6 or 7 morning per half term.	Children will get to experience different sports they have not been exposed to. This will broaden their experiences and give the	Year 4 children have taken part in fencing this half term. The feedback from the children has been very positive. Children in other year groups have

		children chance to try new	commented on how fun it has
		sports.	looked and they can't wait to
			try a new sport.

Key Indicators to be assessed by Ofsted	Provision	Evidence	Funding	Impact	Review/Next Steps
Raise the profile of PE and Sport across the school as a tool for whole school	Physical activity is available every day for every child. A different club being on every day of the week. The start of inclusion club for SEN children.	Registers	Free	Huge emphasis placed on sport within the school also targeting every child to make sure they are getting the most out of sport in school.

They will help the children to engage in different activities during a lunch time, help with keeping the sports equipment tidy and ready for the teachers to grab for their sessions. They will help with different sporting events.	

Regular Sporting Assemblies	National and World Events help keep the children inspired.	N/A	Children receive ideologies and inspiration from those who are not the norm reinforcing the messages the school are trying to send.	
Creation of school records in Athletics and awards for Sports Personalities of the term. Personal bests for the children in different sports.	Records Board.	N/A	Developing records gave the children something to strive for, making improvements to their own best, encouraging them to become better. It allows the children to strive towards achieving personal bests in different sports.	
Work with the Schools Sports Partnership and apply for the School Games Award (Silver Level)	Meeting dates recorded	£600	This year we aim to enter as many competitions as we can and to ensure different children attend each time due to them not being able to take part in sporting events for some time.	Autumn 1 – New age Kurling entered for the children with SEN Autumn 2 – Year 5/6 sports hall athletics entered.
Community links with numerous local clubs, for example Grimsby Town FC, Grimsby HC, Grimsby CC, Grimsby RFC and many more.	Developing relationships with local community clubs.	N/A	Community links provide a progression pathway for the children. More community links with local clubs have taken place this year. This has provided the children with many different sports to try. We are going to aim to build links with other clubs, as we want our children to have access to as many different opportunities as possible.	

Compe	eate in Intra School titions and Inter Competitions.	Results	£150 per competition	The children are taking part in competitions between the classes and between other schools and while enjoying taking part in a competition, they are learning the fundamentals of being a good athlete.	
	uestionnaire and vareness inputs.	Survey/questionnaires	N/A	Children's views are being heard through child surveys and pupil voice; this is going to carry onto next year, as we want our children to be heard.	
Health	& Wellbeing input. week to be ced for the whole	Healthy eating options available. Health week. Classroom kitchen	N/A	Theoretical input based on health and wellbeing, which will raise the importance of physical activity being part of achieving a healthy lifestyle. To have health week for the whole school so children understand the importance of maintaining a good healthy lifestyle. Classroom kitchen to be bought for the whole school to access.	

Key Indicators to be assessed by Ofsted	Provision	Evidence	Funding	Impact	Review/Next Steps
Increase confidence, knowledge and skills of all staff in teaching PE and Sport	Lesson plans available to support sessions and be adapted were necessary.	School Portal & Staff Room	N/A	Increased understanding of content and planning. Staff are working alongside the sports coach to help develop their plan and to understand on how to build on the plans for the next lesson.	Lesson plans to be adapted by each teacher in the lessons as may need to revisit a skill or progress with the skills.
	Introduce focussed assessment so SEN/G&T can be clearly identified.	Assessment forms.	N/A	SEN children were given the opportunity to take part in interschool competitions and all that took part benefited from it and felt more confident in themselves. This year we aim to provide more opportunities for the children.	To be assessed at the end of each block.
	Provide staff with the opportunity to work alongside qualified coaches to increase their practical delivery and confidence	All staff allowed to observe and participate in sessions with qualified and expert staff.	N/A	A recent survey (Autumn Term 2020) evidenced 50% of staff were more confident in delivering high quality PE lessons. We are aiming to get all staff confident by the end of next year, increasing the sustainability of high-quality PE delivery.	Autumn 1 - CPD for new staff run by premier sport. CDP after this will be for staff that are not confident with the delivery of PE sessions. All sessions are tailored to specific needs of the individuals.
	Improving the quality of teaching in lessons throughout school.	Staff feedback forms.	N/A	Variety of lessons covered, catering to the needs to pupils and observing high levels of engagement from all children	To be reviewed each half term. Walk throughs to be conducted and the assessment to be looked at.

Attend PE forums and attend staff CPD courses (PE co-ordinator)	CPD courses for PE co- ordinators/TA to attend and then to feedback to staff.	£1650	Sharing information and ideas with peers enables all the opportunity to be better.	
Awareness of SLT and Governors to the development of PE within the school.	PE co-ordinators to hold staff meetings from feedback of linked school meeting	N/A	Holding staff accountable during meetings will drive standards.	

Key Indicators to be assessed by Ofsted	Provision	Evidence	Funding	Impact	Review/Next Steps
Broader experience of a range of sports and activities offered to all pupils.	Within the school year all children will be exposed to the following sporting activities; American Football, Archery, Athletics, Badminton, Basketball, Curling, Cricket, Dance, Dodgeball, Fencing, Football, Gymnastics, Handball, Hockey, Judo, Lacrosse, Martial Arts, Netball, OAA Activities, Rounders, Rowing, Tag-Rugby, Tennis and more. Some of which are delivered by specialist coaches.	Short term and long term plans available on the School Portal. Registers	Included in the £675 per week	All children have access to a wide variety of activities. Providing a wide range of activities enables children to progress quicker. Children should be encouraged to do all activities before specialising later in life. This is the pathway recommended at elite level to improve performance.	
	Availability of the above within both curricular and extra-curricular sessions.	Club Registers	N/A	In offering a wide range of activities we are more likely to find an activity that children either enjoy or excel at away from traditional sports. Variety of sports taught across whole school. Increased engagement from children who enjoy working with external specialists and role models.	

Long term PE plans includes a wide range of traditional and non-traditional sports	Short term and long term plans available on the School Portal.	Free	Correct equipment for all ensures better health and safety within sessions and reduces barriers to participation.	PE equipment ordered to fit in with each lesson on the longterm plan.
