

Y1 Long Term Plan for Mathematics – 2021-22

Autumn term

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Half term	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
Number – Place Value (Within 10)	Number – Place Value (Within 10)	Number – Place Value (Within 10)	Number – Place Value (Within 10)	Number – Addition & Subtraction (Within 10)	Number – Addition & Subtraction (Within 10)	Number – Addition & Subtraction (Within 10)			Number – Addition & Subtraction (Within 10)	Number – Addition & Subtraction (Within 10)	Geometry - Shape	Geometry - Shape	Number – Place Value (Within 20)	Number – Place Value (Within 20)

Spring term

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Half term	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
Consolidation	Number – Addition & Subtraction (Within 20)	Number – Addition & Subtraction (Within 20)	Number – Addition & Subtraction (Within 20)	Number – Place Value (Within 50)	Number – Place Value (Within 50)			Number – Place Value (Within 50)	Measurement – length & height	Measurement – length & height	Measurement – weight & volume	Measurement – weight & volume

Summer term

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Half Term	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
Consolidation	Number – Multiplication & division	Number – Multiplication & division	Number – Multiplication & division	Number - Fractions	Number - Fractions			Geometry – Position and direction	Number – Place Value (within 100)	Number – Place Value (within 100)	Measurement - Money	Measurement - Time	Measurement - Time
