					<p>Children attending at least 3+ clubs = 17%</p> <p>Active break and lunch times have been introduced to allow the children to engage in more physical activity throughout the day and not just in their PE sessions.</p>
School actively participates in the Golden Mile for physical activity	Golden Mile Data is monitored by the teachers and TA's.	Free	Children have a greater understanding of why daily physical activity is so important. Positive Impact available for all.	<b>To be looked at reintroducing next academic year.</b>	
Multi-Activity Camps are put on during school holidays.	Daily Registers.  Holiday Club attendance out of term time.	£200 per Camp	Children lose 80% of their fitness during school holidays due to inactivity. We aim to keep minimizing this with activities during the holidays when children are less likely to exercise. The clubs have been a big hit in the past so we aim to keep working on improving the sessions to gain more children attending.		
Annual and half termly assessments are conducted on children to see if they are working at an expected level within a range of learning descriptors.	Individual Pupil Assessments recorded on School Portal.	Free	Children to be assessed every half term by the sports coaches and class teacher. This will allow all parties to understand where the children are and if they are secure on the subject or need extra support before moving onto the next sport.	<b>End of each term the children are assessed on how they have done in the sport taught. They are then graded whether they are working below, working at or working above. If they are working below they should then recap and at that</b>
